

grants for college students
in medical crisis

2011 Golf Tournament Newsletter

Mercedes Oakland

Bay Bioanalytical

Thank you all for making The Orion Fund Golf Tournament such a success this year! We had a great turnout for both golf and dinner, the weather and the course were beautiful, and what a good time we had! Many thanks to Eric Mina, our UC Berkeley golf pro, Ben Tuller, our M.C., and our student grantees Billy, Jared, Kaitlin and Tamar, for coming up to Napa and sharing their stories.

Thanks to your generosity, the golf tournament - our major fundraiser - has been a really big success. So we will be here yet again, providing grants for college students in medical crisis.

We thought you might enjoy a few pictures of the day, and the tournament results... scores are posted on our website.

See you next year! The Board of Directors, The Orion Fund
